

# Magic School Mystery

Magic School Mystery is a tabletop role playing game for 2-6 players. Players take on the roles of young witches and wizards investigating the mystery of Magic School Castle. They solve clues, cast spells, and cause mischief in this rules light and narrative heavy tabletop role-playing game!

In Magic School Mystery, players take on the roles of spell-casting students investigating the secrets of their boarding school. The uncanny people, creatures, and places they discover are often not what they seem. They are the only thing standing between a scheming culprit and the school they love! Can they avoid detention and solve the mystery before it's too late?
